(DK references)
- **64 joint kits**  
(OJK and IJK references)
- **80 boot kits**  
(OBK and IBK references)

### Winter extension offer 62 new part numbers:

- **48 driveshaft kits**  
(DK references)
- **10 joint kits**  
(OJK references)
- **4 boot kits**  
(IBK and OBK references)

## Did you know?

Being OE manufacturer, NTN Europe has a high product expertise to support its customers and the mechanics. Besides a deep aftermarket range, NTN Europe offers services to bring answer to their customer needs

“ We are delighted to unveil this new range extension. Even better adapted to the European fleet, it allows NTN to cover both new and old applications. We are developing our reputation as a specialist and OE supplier. This directly supports our ambition to become one of the leaders in the CVJ market in a few years' time. ”
